CHARTER SCHOOL

Updates

We have had a great month of learning!

Thank you for completing homework, reading with your scholar daily and communicating with teachers!

We had an amazing Open House on July 28th!

Thank you to the 92% of families who attended.

Our first University Night is this month!

We will have a lot of fun practicing a reading strategy relevant to your scholar's reading level.

You will leave with at least one concrete way to support your scholar at home!
